

# MIRROR

The Edge Lighting mirror collection features integrated lighting that complements any bathroom space. The provided 3000K warm white color temperature renders the space and the user in just the right light. Warmer color temperatures can be achieved with an optional 2500K Filter.

Twin Slim surface mounted rectangular mirror features vertical integral fluorescent lamps set behind frosted panels, projecting an even glow of light. Dimmable with 0-10V dimmer, 120V-277VAC range input. ADA compliant.

Ava Mirror provides energy-efficient illumination with T5 high-output fluorescent lamps set behind an inset border of frosted glass. Projected from all four sides, the light eliminates shadows and is ideal for shaving or applying make-up. Two 39 watt and two 24 watt 2700K, 80CRI T5 fluorescent lamps are included. Ava is dimmable with a 0-10V dimmer, 120-277VAC range input. General light distribution. ADA compliant.

Marilyn 22" Round and 24" Square radiate light, washing the surrounding wall with a beautiful pattern similar to the glow of the sun and stars. Both mirrors uses E12 candelabra base compact fluorescent or krypton lamps.  
 Marilyn Moods variations offer dynamic color effects with **RGB LEDs**, which are controlled with wireless handheld remote (provided). For RGB version, see page 215. All **LED** fixtures include 5 year warranty.
